

GREENING

PETERSFIELD

Show Petersfield you care!

Please display this in your window

The people of Petersfield are leading the way with **positive action to stop** Climate Change.

Is your household part of the solution?

Complete 5 of the easy challenges below to be part of the solution.

1. Change 3 light bulbs for energy efficient ones
2. Turn heating thermostat down by 1°C
3. Turn off all equipment standbys
4. Walk if the journey is under 1 mile
5. Boil only the amount of water you intend to use
6. Wash clothes at 30° (40° max if very dirty)
7. Top up the loft insulation to a level above the rafters
8. Reduce water flushed down the toilet

When your 5 challenges are complete, show Petersfield & the world you care by displaying this card in your front window.

In support of this campaign a number of local organisations have donated prizes. **If you want to enter the free prize draw please email us your details.** Prizes include: a night for 2 at Wetherdown Hostel; a book about 'Eco Centres and Courses'; a voucher for a place on a children's activity at the Sustainability Centre; a family space for a BBQ at Queen Elizabeth Country Park; a wind up torch from Permanent Publications; Climate Change calendars... and more. See website for full details.

If you need advice please call **0800 512 012** and state code **SUS**
